Taste of Point DC is an annual event celebrating Point Foundation, the nation's largest LGBTQ scholarship-granting organization. This year's event will be hosted at Room&Board on Wednesday, May 7, 2025.

Featuring delicious small bites and bespoke cocktails generously donated by renowned restaurants and mixologists from across the DC Metro Area, the evening will also include a brief program with remarks from local Point Board Members and Scholars.

In 2024, over 130 members of the DC community joined us in celebration and support of Point's work. By partnering with Taste of Point DC, you enhance your visibility to a variety of communities and stakeholders, aligning your brand with an organization dedicated to building community and supporting those who wish to better themselves and the world through education.

We hope you will join us for Taste of Point DC and show your support for local LGBTQ rights!

Miller/Masiello Community College Scholar
Montgomery College
Nursing

Point Foundation empowers promising lesbian, gay, bisexual, transgender, and queer (LGBTQ) students to achieve their full academic and leadership potential – despite the obstacles often put before them – to make a significant impact on society.

More than just financial support, Point provides group mentorship, leadership training, and a strong sense of community. Our scholarships support LGBTQ community college, undergraduate, and graduate students, as well as those at postsecondary trade schools.

Since 2001, Point has invested more than \$60 million in the education and support of over 1,700 Point Scholars. These students are studying everything from the STEM fields (science, technology, engineering, and math) to nursing, medicine, psychology, and more.

Point’s scholar selection process is rigorous and highly competitive. Top candidates demonstrate leadership ability, academic excellence, financial need, and a history of community service.

Through Point’s scholarships and community, scholars receive the support and encouragement they need to excel both academically and personally.
