

THE NATIONAL LGBTQ SCHOLARSHIP FUND

ESTATE PLANNING INSTRUCTIONS

Please remember Point Foundation as you plan the details of your estate. Point Foundation is the nation's only scholarship fund for meritorious students who have been marginalized due to sexual orientation or gender identity. Make sure that your legacy lives on by investing in the future leaders of our community.

To honor, memorialize, and thank those friends of Point Foundation who have arranged a bequest or planned gift to the Foundation, we have established the Point Legacy Circle. Anyone who notifies Point Foundation that they have named the Foundation as a beneficiary of a bequest or planned gift of over \$100,000 will automatically be enrolled as a member.

Members of the Point Legacy Circle receive certain benefits. These currently include designation in the Point Foundation annual report (if authorized by you) and invitations to select Foundation events. Benefits can also include a named scholarship (your name or a loved one's name) at a specific institution you select. This will ensure your generosity endures for generations to come.

For further information about the Point Legacy Circle, to discuss your specific wishes for your gift, or if you would like assistance in structuring a gift, please contact:

"All the rest, residue, and remainder of my estate, both real and personal, wherever located, I devise and bequeath to Point Foundation, a tax-exempt, not-for-profit, charitable institution whose headquarters are located in Los Angeles, CA with federal tax identification number 84-1582086."

If you want to leave assets to an individual (such as a partner or child) for use during their lifetime, but direct it to Point Foundation upon his or her death:

In this case, a more sophisticated vehicle, such as a charitable trust or pour-over trust, may be most effective. Please discuss this with your estate planner.
