

Point Foundation is the nation's largest scholarship-granting organization for lesbian, gay, bisexual, transgender and queer (LGBTQ) students of merit.

Mission Statement: Point Foundation empowers promising LGBTQ students to achieve their full academic and leadership potential – despite the obstacles often put before them – to make a significant impact on society.

Scholarships: A total of 85 scholarship recipients are receiving support for the 2019-2020 academic year; 60 Point Scholars and 25 students accepted into the Point Community College Scholarship Program.

Point Scholars: Point promotes change through scholarship funding, mentorship, leadership development, and community service training.

- **Scholarship Funding:** Point provides a direct financial contribution toward the cost of attending the nation's top educational institutions.
- **Mentorship:** Point mentors build rewarding personal relationships, provide advice on professional career decisions, and serve as exemplary role models for the organization's scholars.
- **Leadership Development:** Point works with its scholars to develop successful leaders who are transformative advocates for the LGBTQ community and beyond.
- **Community Service Training:** Point promotes philanthropic efforts through required community service projects, shaping the future of the next generation of the LGBTQ community.

Upon completing their tenure as scholars, **Point Alumni** have access to the Point community, resources, and leadership programming. Point Alumni continue to engage with the organization, serving as board members, application readers, volunteers, and mentors to current Point Scholars, as well as giving back as donors

Community College Scholarship Program: The Point Community College Program inspires LGBTQ community college students to fulfill their ambitions of attending a four-year college or university. Students in the program receive a financial grant, college coaching, and attend the annual Point Community College Transfer Symposium in Los Angeles. For 2018 – 2019, the program is assisting 25 students thanks to the support of Wells Fargo and other generous donors.
